Appropriation Committee of the particular line. If a first walking gen-ileman were asked to play a third walk-ing gentleman's part, he would be as indigunat as an Attorney General were he called upon to defend a pickpocket in a site lower end of Island No. 10 and 10 miles

police court. Managers are often blamed because or parts in a piece are badly played; they cannot, however, help themselves, because good salors will not play them. Actresses stand even more on their digmily than actors, their mutual jealousies exceed even those of fine ladies. Audiences must often have remarked that to burlesques, songs and dances are intro-duced in degance of the requirements of the situation. The reason usually is that avenue. Clear of lease Miss A. refuses to play unless, like Miss B , she be given a song, or, like Miss C.,

tomimes are played. They receive about or nieces of actors, and they work hon-

stly for a small pittance. A First-Class London Theater and there are, on the working staff of a heater, dressers, gasmon, firemen, check lakers, cleaners, one or two messengers, s hall porter, a prompter and a call boy ;

diogether about one hundred persons PLAYS AND BURLESQUES. A play is either paid for by a percent-age on the profits, or at a fixed rate per night, or it is bought. It is by no means-easy to obtain good ones. The number f and ones sent to managers is enormous. They are usually written by repiring authors, who know nothing o' stage effects. It requires not only talent but a vast amount of technical knowl-edgs to write well for the stage. Managers are almost always obliged to fall back upon experienced dramatic authors, and to accept with gratitude whatever they may offer. Three or five act plays, when not paid for by a percentage on profits, u-natly cost from £200 to £800, or rom £3 t : £7 every night they are seted. The price of a good burlesque varies from £50 to £120 Farces are seldom worth
